 - a. Pixel grants to Licensee a perpetual, non-exclusive, non-transferable, non-sublicensable, worldwide right to Reproduce the Licensed Material in up to three (3) Licensee Works in any and all media for all purposes other than those uses prohibited under Section 3 of this Agreement.

that such employees, agents or subcontractors agree to abide by the provisions of this Agreement.

- c. Licensee must purchase additional seat licenses if there are more than ten (10) Users before such additional use begins.

3. Restrictions on Scope of License.

- a. Licensee may not: (i) make the Licensed Material available (separate from the Licensee Work) in any medium accessible by persons other than authorized Users; (ii) make the Licensed Material available in a manner intended to allow or invite a third party to download, extract, redistribute or access the Licensed Material as a standalone file; or (iii) sell or make available for sale the Licensed Material (whether separate or part of Licensee Work) on a stock footage or video website.
- b. Licensee may not, without obtaining the prior written consent of Pixel and the payment of additional License Fees: (i) include the Licensed Material in an electronic template intended to be Reproduced by third parties on electronic or printed products; or (ii) use or display the Licensed Material on websites or in any other medium designed to induce or involving the sale, license or other distribution of "on demand" products (e.g., products in which Licensed Material is selected by a third party for customization of such product on a made-to-order basis), including, without limitation, postcards, mugs, t-shirts, calendars, posters, screensavers or wallpapers on mobile telephones, or similar items.
- c. Licensee may not falsely represent, expressly or impliedly, that Licensee is the original creator of a visual work that derives a substantial part of its artistic components from the Licensed Material, nor may it make the Licensed Material available in the form of fine art prints.
- d. Licensed Material shall not be incorporated into a logo, corporate ID, trademark or service mark, without obtaining the prior written consent of Pixel.
- e. If any Licensed Material featuring a model or property is used in connection with a subject that would be unflattering or unduly controversial to a reasonable person, Licensee must accompany each such use with a statement that indicates that: (i) the Licensed Material is being used for illustrative purposes only; and (ii) any person depicted in the Licensed Material, if any, is a model.
- f. Pornographic, defamatory or otherwise unlawful use of Licensed Material is strictly prohibited, whether directly or in context or juxtaposition with other material or subject matter. Licensee shall also comply with any applicable regulations and/or industry codes.
- g. While efforts have been made to correctly caption the subject matter of the Licensed Material, Pixel does not warrant the accuracy of such information.
- h. If Buyer is licensing Licensed Material on behalf of a Licensee, Buyer represents and warrants that: (i) Buyer is authorized to act as an agent on behalf of Licensee and has full power and authority to bind Licensee to this Agreement; and (ii) if Licensee subsequently disputes such power or authority, Buyer shall be liable for any failure of Licensee to comply with the terms of this Agreement. Nothing in this Paragraph 3(h) shall excuse Buyer's obligation to make payment to Pixel of the License Fee.

- i. If the Licensee Work is Reproduced on a website, Licensee shall post terms and conditions on the website that prohibit downloading, republication, retransmission, reproduction or other use of the Licensed Material as a stand-alone file.
 - j. If the Licensed Material is Reproduced on a social media platform or other third party website, (i) the rights granted herein shall automatically be revoked in the event that the platform website seeks to exploit purported rights to the Licensed Material contrary to the terms of this Agreement, and (ii) in such event, upon Pixel's request, Licensee shall remove any Licensed Material from such platform or website.
4. Intellectual Property Ownership.
 - a. Copyright. No ownership or copyright in any Licensed Material shall pass to Licensee by the issuance of the license contained in this Agreement. Except as expressly stated in this Agreement, Pixel grants Licensee no right or license, express or implied, to the Licensed Material. Licensee may not assert any right to revenue from a collecting society in respect of photocopying, digital copying or other secondary uses of the Licensed Material contained in a Licensee Work.
 - b. Trademarks. In connection with Licensee's use of Pixel's trade names, trademarks, logos or service marks, including the names of any Licensed Material collections (collectively, "Marks"), Licensee acknowledges and agrees that (i) such Marks are and shall remain the sole property of Pixel; (ii) except as expressly required in order to satisfy the credit obligations under this Agreement, nothing shall confer upon Licensee any right of use in or to the Marks; and (iii) Licensee shall not now or in the future contest the validity of Pixel's Marks.
 - c. Audio/Visual Production Credit. If Licensed Material is used in an audio/visual production where credits are accorded to other providers of licensed material, credit shall be accorded, where technically feasible, in equal size and comparable placement to such other credit(s), in the following form or in substantially similar form: "[Video] [Imagery] supplied by Pixel Film Studios."
 - d. Notice of Unauthorized Use. Licensee will immediately notify Pixel if it becomes aware or suspects that any third party that has gained access to the Licensed Material through Licensee is wrongfully using the Licensed Material, in whole or in part, or is violating any of Pixel's intellectual property rights, including, but not limited to, Marks and copyrights.
5. Limited Warranty; Limitation of Liability.
 - a. Pixel warrants that: (i) the Licensed Material will be free from defects in material and workmanship for thirty (30) days from delivery (Licensee's sole and exclusive remedy for a breach of this warranty being the replacement of the Licensed Material); (ii) it has all necessary rights and authority to enter into and perform this Agreement; and (iii) Licensee's use of the Licensed Material in accordance with this Agreement and in the form delivered by Pixel (i.e., excluding any modifications, overlays or re-focusing by Licensee) will not infringe on (A) any copyright or moral right; or (B) trademark or other intellectual property right and will not violate any right of privacy or right of publicity. Licensee shall be responsible for payment of any amounts that may be due under, and compliance with any other terms of, any applicable collective bargaining agreement(s) (such as Screen Actors Guild in the US) as a result of Licensee's use of the Licensed Material. Licensee acknowledges that Pixel may not have obtained model and/or property releases and that some jurisdictions provide

legal protection against a person's image, likeness or property being used for commercial purposes when they have not provided a release. Pixel does not grant any right nor make any warranty with regard to the use of names, people, trademarks, trade dress, logos, registered designs or works of art or architecture depicted therein. In such cases, Licensee shall be solely responsible for determining whether release(s) is/are required in connection with any proposed use of the Licensed Material, and shall be responsible for obtaining such release(s) or for failure to obtain any necessary release(s). Upon Licensee's request, Pixel will provide confirmation as to whether it has obtained any model or property releases in connection with the Licensed Material.

- b. PIXEL DOES NOT MAKE ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, REGARDING THE LICENSED MATERIAL OR ITS DELIVERY SYSTEMS, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. GETTY IMAGES SHALL NOT BE LIABLE TO LICENSEE OR ANY OTHER PERSON OR ENTITY FOR ANY PUNITIVE, SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR OTHER SIMILAR DAMAGES, COSTS OR LOSSES ARISING OUT OF THIS AGREEMENT, EVEN IF PIXEL HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, COSTS OR LOSSES. SOME JURISDICTIONS DO NOT PERMIT THE EXCLUSION OR LIMITATION OF IMPLIED WARRANTIES OR LIABILITY FOR CERTAIN CATEGORIES OF DAMAGES. PIXEL SHALL NOT BE LIABLE FOR ANY DAMAGES, COSTS OR LOSSES ARISING OUT OF OR AS A RESULT OF MODIFICATIONS MADE TO THE LICENSED MATERIAL BY LICENSEE OR THE CONTEXT IN WHICH LICENSED MATERIAL IS USED IN A LICENSEE WORK.

6. Indemnification.

- a. Licensee shall, subject to the terms of Paragraph 6(b) below, defend, indemnify and hold harmless Pixel and its parent, subsidiaries, affiliates, content providers and their respective officers, directors and employees from all damages, liabilities and expenses (including reasonable outside attorneys' fees), arising out of or as a result of claims by third parties relating to (i) Licensee's use of any Licensed Material outside the scope of this Agreement; (ii) any other actual or alleged breach by Licensee of this Agreement; or (iii) Licensee's failure to obtain any required release in relation to Licensed Material.
- b. Pixel shall promptly notify Licensee of any claim for which Pixel seeks indemnity. At Licensee's option, Licensee may assume the handling, settlement or defense of any claim or litigation, in which event Pixel shall cooperate in the defense of any such claim or litigation as may be reasonably requested by Licensee. Pixel shall have the right to participate in such litigation, at its expense, through counsel selected by Pixel. Licensee will not be liable for legal fees and other costs incurred prior to Pixel giving notice of the claim for which indemnity is sought.

7. Inspection. Licensee should examine all Licensed Material for possible defects (whether digital or otherwise) before sending any Licensed Material for Reproduction. Without prejudice to Paragraph 5 above, Pixel shall not be liable for any loss or damage suffered by

Licensee or any third party, whether directly or indirectly, arising from any alleged or actual defect in any Licensed Material or its caption or in any way from its Reproduction.

8. Unauthorized Use; Termination. Any use of Licensed Material in a manner not expressly authorized by this Agreement (including, without limitation, use of Licensed Material by more than ten (10) Users without purchase of additional seat licenses) constitutes copyright infringement and a breach of this Agreement, entitling Pixel to exercise all rights and remedies available to it under copyright laws around the world. Licensee shall be responsible for any damages resulting from any such copyright infringement, including any claims by a third party. In addition and without prejudice to Pixel's other remedies under this Agreement, Pixel reserves the right to charge and Licensee agrees to pay a fee equal to up to five (5) times Pixel's standard license fee for the unauthorized use of the Licensed Material. Pixel reserves the right to terminate this Agreement in the event Licensee: (i) enters the Agreement after having received notice of unauthorized use from Pixel relating to any Licensed Material (including previously purchases Licensed Material); or (ii) otherwise breaches the terms of this Agreement. Upon termination, Licensee must immediately stop using the Licensed Material, and destroy or, upon the request of Pixel, return to Pixel the Licensed Material.
9. Miscellaneous.
 - a. Audit. Upon reasonable notice, Licensee shall provide sample copies of Reproductions containing Licensed Material to Pixel, including by providing Pixel with free of charge access to any pay-walled or otherwise restricted access website or platform where the Licensed Material is Reproduced. In addition, upon reasonable notice, Pixel may, at its discretion, either through its own employees or through a third party, audit Licensee's records directly related to this Agreement and use of Licensed Material in order to verify compliance with the terms of this Agreement. If any such audit reveals an underpayment by Licensee to Pixel of five percent (5%) or more of the amount Licensee should have paid for the time period that is the subject of the audit (including any underpayment due to Licensed Material being used by more than the authorized number of Users), in addition to paying Pixel the amount of such underpayment, Licensee shall also reimburse Pixel for the costs of conducting such audit. Where Pixel reasonably believes that Licensed Material is being used by more than the authorized number of Users, or that Licensed Material is being used outside of the scope of the license granted under this Agreement, Licensee shall, at Pixel's request, provide a certificate of compliance signed by an officer of Licensee, in a form to be approved by Pixel.
 - b. Storage. For all Licensed Material that is delivered to Licensee in electronic form, Licensee must retain the copyright symbol, Pixel's name, the Licensed Material's identification number (if any) and any other information as may be embedded in the electronic file containing the original Licensed Material. Licensee shall maintain a robust firewall to safeguard against unauthorized third-party access to the Licensed Material.
 - c. Withdrawal. Upon notice from Pixel, or upon Licensee's knowledge that any Licensed Material may be subject to a claim of infringement of another's right for which Pixel may be liable, Pixel may require Licensee to immediately and at its own expense (i) stop using the Licensed Material; (ii) delete or remove the Licensed Material from its premises, computer systems and storage (electronic or physical);

- and (iii) ensure that its clients do likewise. Pixel shall provide Licensee with comparable Licensed Material (which comparability will be determined by Pixel in its reasonable commercial judgment) free of charge, but subject to the other terms and conditions of this Agreement.
- d. Governing Law/Arbitration. This Agreement will be governed in all respects by the laws of the State of California, U.S.A., without reference to its laws relating to conflicts of law. Any disputes arising from or related to this Agreement or its enforceability, or the business relationship between the parties, shall be finally settled by binding, confidential arbitration by a single arbitrator selected using the rules and procedures for arbitrator selection under the Commercial Rules of the American Arbitration Association (“AAA”) in effect on the date of the commencement of arbitration, and to be held in Orange County, California. The arbitration proceedings shall be conducted in English and all documentation shall be presented and filed in English. The decision of the arbitrator shall be final and binding on the parties, and judgment may be entered on the arbitration award and enforced by any court of competent jurisdiction. The United Nations Convention on Contracts for the International Sale of Goods does not govern this Agreement. The prevailing party shall be entitled to recover its reasonable attorneys’ fees and costs incurred in connection with the arbitration. Notwithstanding the foregoing, Pixel shall have the right to commence and prosecute any legal or equitable action or proceeding before any court of competent jurisdiction to obtain injunctive or other relief against Licensee in the event that, in the opinion of Pixel, such action is necessary or desirable. The parties agree that, notwithstanding any otherwise applicable statute(s) of limitation, any arbitration proceeding shall be commenced within two years of the acts, events, or occurrences giving rise to the claim.
 - e. Severability. If one or more of the provisions contained in the Agreement is found to be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not be affected. Such provisions shall be revised only to the extent necessary to make them enforceable.
 - f. Waiver. No action of either party, other than express written waiver, may be construed as a waiver of any provision of this Agreement. A delay on the part of either party in the exercise of its rights or remedies will not operate as a waiver of such rights or remedies, and a single or partial exercise by either party of any such rights or remedies will not preclude other or further exercise of that right or remedy. A waiver of a right or remedy on any one occasion will not be construed as a bar to or waiver of rights or remedies on any other occasion.
 - g. Entire Agreement. This Agreement contains all the terms of the license agreement between Pixel and Licensee and replaces and supersedes all prior written or oral agreements. No terms or conditions may be added or deleted unless made in writing and either accepted in writing by an authorized representative of both parties. In the event of any inconsistency between the terms contained herein and the terms contained on any order confirmation or other communication sent by Licensee, the terms of this Agreement shall govern.
 - h. Taxes. All License Fees are exclusive of any applicable sales, use, withholding or other transactional taxes, which are the sole responsibility of Licensee or Purchaser (if any).
